

UP Diliman Privacy Policy

The Data Subject shall be indemnified for any damages sustained due to such inaccurate, incomplete, outdated, false, unlawfully obtained or unauthorized use of Personal Data, taking into account any violation of his or her rights and freedoms as Data Subject.

PART II. RESPONSIBILITIES OF DATA SUBJECTS

If any law or regulation cited in this Policy is amended or superseded, then it shall be considered that this Policy is referring to such amending or superseding law or regulation, without prejudice to a person's right against retroactive effect of laws.

If any part of this Policy is declared null and void, then the other unaffected parts shall remain in full force and effect.
